

## Certificate of Compliance

### **EQUIPMENT**

24-1000RM, 48-1000RM, 48-1000IRM, 48-2000RM, 48-2000IRM, 125-1000RM, 125-2000RM

### **PRODUCT SPECIFICATIONS**

NEWMAR certifies that the delivered products are in conformance with the specifications provided in the data sheet for the product requested in the purchase order.

Inspection and testing procedures were carried out following established manufacturing standards and has proven the product to be fully in conformation with the specifications.

### **UL LISTED**

The product equipment placard bears the applicable marking.

The products tests were conducted in accordance with the Standard for Safety of Information Technology Equipment, CSA C22.2 No 950 \* UL 1950, Third Edition, including revisions through revision dated June 22, 1998, which are based on the Fourth Amendment to IEC 60950, Second Edition.

A sample of the product has been found to comply with the requirements covering the category and the product was judged to be eligible for Listing and Follow-Up Service. The manufacturer is authorized to use the UL Mark on such products which comply with the follow-up service procedure and any other applicable requirements of Underwriters Laboratories Inc. Only those products which properly bear the UL Mark are considered as Listed by the Underwriters Laboratories Inc.

### **CE DECLARATION**

Product is herewith confirmed to comply with the requirements set out in the Council Directive 89/336/EEC, 73/23/EEC & 93/68/EEC on the Approximation of the Laws of the Member States relating to Electromagnetic Compatibility and Low Voltage Directive.

### **RoHS**

This product is designated and delivered as RoHS compliant. We are following the RoHS Directive 2011/65/EU to Ban all Environment-Related Substances included in the Materials (Attachments, Packages, and all the matters delivered with the Materials included) that are delivered to your company.
